Export Orders Button

Export Labels Button moves all orders which are under the “Export Labels” Status into an “ExportedLabels.txt” file, which can be opened in excel

Export Orders .TXT File

Export Labels File – Can be used to match customer names with the items which were ordered along with locations of those items.

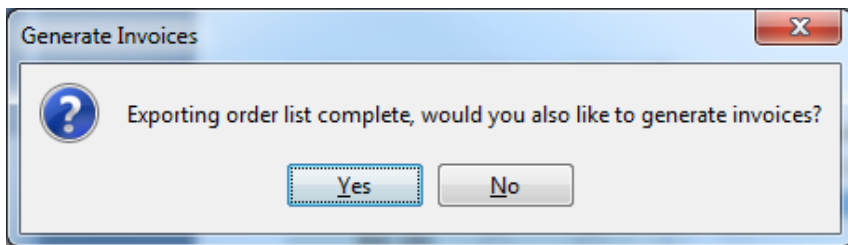

- Open the .txt file in Excel
- Includes:
 - Location
 - Item ID
 - Item Name
 - Customer Name
 - State
 - Order Comments
